

Le Petit Chambon - Local Restaurant Information

There are a number of restaurants in the area. These are a few that we have picked out that we like. [Trip Advisor](#) is another good source of information on restaurants with reviews – although there are some to avoid so we are happy to provide our thoughts. In the summer it is always advisable to book ahead to ensure a table. We would be happy to make a booking for you.

About a 30 minute drive with parking in Place Tourny near the restaurant. The restaurant overlooks the Vezere river and is very pretty with outside and inside dining. Another one to pre book, also it's quite pricey. Lovely local ingredients and menu. Plus strangely they also do great pizza and are a member of the French Pizzerias association
